### **Eighteenth International Conference on the Arts in Society**

Jagiellonian University

Kraków, Poland

Jul 5, 2023 – Jul 7, 2023

Founded in 2000, the Arts in Society Research Network offers an interdisciplinary forum for discussion of the role of the arts in society. It is a place for critical engagement, examination and experimentation, developing ideas that connect the arts to their contexts in the world – on stage, in studios and theaters, in classrooms, in museums and galleries, on the streets and in communities.

You may find regularly updated information about the conference on our website: <https://artsinsociety.com/2023-conference>. Should you require further information or have any questions, please visit the Knowledge Base: [https://cgscholar.com/cg\\_support/en](https://cgscholar.com/cg_support/en).

We do hope you will be able to attend this important and timely international conference.

Yours Sincerely,
